

23RD

MALAYSIAN SOCIETY OF HAEMATOLOGY ANNUAL SCIENTIFIC MEETING 2026

BRIDGING EQUITY AND INNOVATION IN HAEMATOLOGY

 24 - 25 JULY 2026

 SHERATON JOHOR BAHRU

26 JULY 2026

Post-Congress Workshop

10 MARCH 2026

Delegate
Registration Opens

1 APRIL 2026

Abstract
Submission Opens

- CPD-accredited event
- Registration fee refund for accepted abstracts

EVENT DETAILS & HIGHLIGHTS

MSH ASM 2026 brings together practitioners and partners across the full spectrum of haematology care and innovation:

- Haematologists and haematology trainees
- Oncologists
- Internal medicine physicians
- Pathologists
- Laboratory medicine professionals
- Researchers
- Pharmacists
- Nurses
- Allied health practitioners
- Primary care physicians
- Medical officers
- House officers
- Medical students
- Biotechnology and pharmaceutical professionals

CONFERENCE HIGHLIGHTS:

Comprehensive Scientific Programme

A strategically curated programme delivering high-impact updates across malignant and non-malignant haematology, translating the latest evidence into clinically-relevant, practice-changing insights.

Equity in Real-World Practice

Meaningful dialogue on how innovation can be implemented equitably and sustainably within the realities of contemporary healthcare systems.

Early Career Development Track

A focused, high-yield clinical track dedicated to strengthening clinical competence and confident decision-making in haematology for early-career clinicians and physicians in training.

Community and Advocacy Engagement

Selected non-profit organisations dedicated to patient support and advocacy will participate as exhibitors, strengthening the connection between clinical practice and community engagement.

Post-Congress Workshop

An intensive, small-group learning experience offering deep dives into priority clinical topics with enhanced interaction and expert engagement.

SCIENTIFIC PROGRAMME
DAY 1 ■ 24 July 2026 (Friday)

	CLINICAL	EARLY CAREER DEVELOPMENT	LABORATORY	NURSING AND PHARMACY
7.00 - 8.00 am	Registration			
EDUCATION SESSION 1	Acute Myeloid Leukaemia <i>Decoding AML: Bridging Genomics and Clinical Practice</i> Moderator: Dr Ong Tee Chuan		Interpreting the Trepine: <i>Post-Therapy and Diagnostic Challenges</i> Moderator: Dr Thatcheiany Kumariah	Nursing and Pharmacy Education Session 1
8.00 - 8.25 am	Targeting the Genome: Precision Medicine Approaches in AML Dr Haris Fadzillah		Benign and Reactive Histological Changes in BMT Prof Dr Noraidah Masir	Safe Chemotherapy Management: Defining Nursing and Pharmacist Roles from Verification to Delivery Miss Teh Hui Han
8.25 - 8.50 am	From '7+3' to Smart Drugs: The Therapeutic Revolution in AML Dr Ng Soo Chin		Bone Marrow Trepine Biopsy Assessment After Chemotherapy Prof Dr Noraidah Masir	Overview of Haematological Malignancies: A Nursing Perspective Puan Azizan binti Mohd Isa
8.50 - 9.15 am	Minimal Residual Disease and AML Transplantation: The MRD - Guided Era Prof Koh Liang Piu		Diagnostic challenges in Large B-Cell Lymphoma Prof Dr Noraidah Masir	Preventing Deconditioning and Promoting Functional Recovery in Haematology Patients: Practical Strategies for Nurses Dr Tan Jin Hui
9.15 - 9.30 am	Panel Discussion		Panel Discussion	Panel Discussion
9.30 - 10.00 am	Industry Showcase / Poster Walk			
10.00 - 10.30 am	Opening Ceremony			
10.30 - 11.15 am	Plenary Lecture			
EDUCATION SESSION 2	Lymphoma <i>Modern Management of Hodgkin Lymphoma: Balancing Cure, Toxicity, and Quality of Life</i> Moderator: Dr Tan Sen Mui	Haemostasis and Thrombosis <i>From Bleeding to Clotting: Clinical Challenges in Haemostasis and Thrombosis</i> Moderator: Dr Cheong Chin Sum	Advances in Flow Cytometry <i>MRD Assessment in B-ALL</i> Moderator: Dr Nabeelah binti Abdul Khalid	Nursing and Pharmacy Education Session 2
11.15 - 11.40 am	Epidemiology of Hodgkin Lymphoma: Global Patterns, Local Realities Prof Gan Gin Gin	How I Treat Bleeding Disorders: From Laboratory Evaluation to Bedside Management Dr Veena Selvaratnam	Current Practice of BCP-ALL MRD in Flow Cytometry and Next Generation Flow Dr Amitav Mohanty	Weight-Adjusted Chemotherapy Dosing in Haematology: Is Ideal Body Weight the Preferred Metric? Miss Lee Yi Jing
11.40 - 12.05 pm	Optimizing Frontline Therapy in Hodgkin Lymphoma: Balancing Efficacy and Late Effects Dr Michelle Poon	How I Treat Venous Thromboembolism: The Nuances of Clinical Management Dr Andy Tang		Nursing Challenges in Chemotherapy Administration for Haematology Patients Puan Azizan binti Mohd Isa
12.05 - 12.30 pm	Managing Relapsed Hodgkin Lymphoma: Integrating Transplantation and Immunotherapy TBC	How I Treat Thrombocytopenia: From First Platelet Count to Targeted Therapy Dr Aini Syakirah	BCP-ALL MRD: Case Studies Discussion Dr Amitav Mohanty	Symptom Control and Goal-Concordant Care for Critically Ill Patients with Relapsed or Refractory Haematologic Malignancies Dr Look Mei Ling
12.30 - 12.45 pm	Panel Discussion	Panel Discussion	Panel Discussion	Panel Discussion
12.45 - 1.45 pm	Lunch Symposium 1 (Exclusive to Platinum Sponsors)			
1.45 - 2.30 pm	Friday Prayers			

SCIENTIFIC PROGRAMME

DAY 1 ■ 24 July 2026 (Friday)

EDUCATION SESSION 3	Plasma Cell Disorders <i>Myeloma: Is a Cure on the Horizon?</i> Moderator: Prof Bee Ping Chong	Oral Presentations Chairperson: Dr Christopher Liam	When Genetic Disorders Collide: Understanding Co-Inheritance and Its Impact Moderator: Dr Nani Shahida binti Sehat	Nursing and Pharmacy Education Session 3
2.30 - 2.55 pm	Triplets, Quadruplets, and Beyond: Optimizing Frontline Myeloma Therapy Dr Jay Suriar	Laboratory Oral Presentations	When Genes Collide: Co-Inheritance of SAO and Thalassemia— Does It Really Matter? Dr Hafzah Hashim	Optimising Patient Readiness for Haematopoietic Stem Cell Transplantation: A Nursing Perspective KJ Norhafzah binti Razali
2.55 - 3.20 pm	Toward Functional Cure: Emerging Therapies in Relapsed and Refractory Myeloma TBC		Co-Inheritance of Alpha and Beta Thalassemia Dr Hafzah Hashim	Comprehensive Nursing Care Following Haematopoietic Stem Cell Transplantation Miss Jedidah Lieow Leng Meng
3.20 - 3.30 pm	Panel Discussion		Panel Discussion	Panel Discussion
3.30 - 3.45 pm	Industry Showcase / Poster Walk			
3.45 - 4.30 pm	Tea Break Symposium 1 (Exclusive to Gold Sponsors)		Tea Break Symposium 2 (Exclusive to Gold Sponsors)	
4.30 - 5.30 pm	Advancing Clinical Haematology in Malaysia: Best Practices and Innovations			
6.30 - 9.30 pm	Faculty Dinner (By Invitation Only)			

SCIENTIFIC PROGRAMME

DAY 2 ■ 25 July 2026 (Saturday)

	CLINICAL	EARLY CAREER DEVELOPMENT	LABORATORY	NURSING AND PHARMACY
7.30 - 8.30 am	Registration			
7.30 - 8.30 am	Expert Roundtable (By Invitation Only)			
EDUCATION SESSION 4	Acute Lymphoblastic Leukaemia <i>How to treat AYA ALL?</i> Moderator: Dr Toh See Guan	Comprehensive Haemato-Oncology Care <i>Navigating Complications Across the Chemo-Transplant Continuum</i> Moderator: Dr Lily Wong	Advances in Molecular Testing <i>Diagnostics and Monitoring of Myeloid Disorders</i> Moderator: Dr Siti Fatimah binti Mohamed Kamaruzzaman	Nursing and Pharmacy Education Session 4
8.30 - 8.55 am	AYA Acute Lymphoblastic Leukaemia: Bridging Pediatric and Adult Protocols Prof Allen Yeoh	How I Manage Post-Transplant Patients: Monitoring, Complications, and Long-Term Care Dr Sharifah Shahnaz	Pathology in Malaysia: Current Challenges, Future Directions, and Strategic Development Dr Raudhawati Osman	Best Nursing Practices in CLABSI Prevention in Haematology Units Matron Khairun Nisak binti Sairan
8.55 - 9.20 am	AYA ALL: Is Transplant Still the Gold Standard? Prof S. Fadilah binti S. Abdul Wahid	How I Support Patients After Chemotherapy: Toxicity Management, Monitoring, and Survivorship Care Dr Tan Sui Keat	BCR::ABL1 Monitoring in Chronic Myeloid Leukaemia Dr Siti Shahrum Muhamed Said	The First Hour Matters: Nursing Response to Suspected Neutropenic Sepsis Dr Chang Chee Yik
9.20 - 09.45 am	High-Risk AYA ALL: Contemporary Challenges and Evolving Solutions Dr Ng Chin Hin	How I Treat Infections in Haematology Patients: Practical Strategies for Clinicians Dr Khaiteri Raghunathan	NGS in Myeloid Disorders Dr Yuslina Matt Yusoff	Beyond Clinical Care: Counselling Essentials for Haemato-Oncology Nurses Matron Chui Siew Queen
9.45 - 10.00 am	Panel Discussion	Panel Discussion	Panel Discussion	Panel Discussion
10.00 - 10.45 am	Tea Break Symposium 3 (Exclusive to Gold Sponsors)		Tea Break Symposium 4 Exclusive to Gold Sponsors)	

SCIENTIFIC PROGRAMME
DAY 2 ■ 25 July 2026 (Saturday)

EDUCATION SESSION 5	Indolent Lymphoma <i>Current Practice and Future Directions</i> Moderator: Prof Azlan bin Husin	Oral Presentations Chairperson: Dr Boo Yang Liang	The Difficult Lymphomas <i>Practical Strategies in Trepine Biopsy Diagnosis</i> Moderator: Dr Syirah Nazirah binti Mohd Tajuddin	Lines that Save Lives: <i>Mastering Central Line Care in Haematology</i>
10.45 - 11.10 am	Marginal Zone Lymphoma: Understanding the Biology of MZL - From Splenic to Extranodal Subtypes Dr Leong Tze Shin	Clinical Oral Presentations	T-Cell Lymphoma and Mimickers in Trepine Biopsy Prof Tan Soo Yong	Central Venous Access Device (CVAD) Care: PICC Lines and Chemoports
11.10 - 11.35 am	Advancements in Treatment of R/R Follicular Lymphoma Dr Jerome Tan		Diagnostic Challenges of B-Cell and Hodgkin Lymphoma in Trepine Biopsy Prof Tan Soo Yong	Practical Skills Masterclass: Station 1: PICC line care Station 2: Chemoport care
11.35 - 12.00 pm	Frontline Waldenstrom's Macroglobulinemia in 2026: Chemoimmunotherapy or BTK inhibitors? Prof Ja-Min Byun			
12.00 - 12.15 pm	Panel Discussion		Panel Discussion	Panel Discussion
12.15 - 1.00 pm	John Bosco Lecture			
1.00 - 2.00 pm	Lunch Symposium 2 (Exclusive to Platinum Sponsors)			
EDUCATION SESSION 6	Marrow Failure Syndromes Moderator: Dato' Dr Vijaya Shankar	Anaemia <i>Practical Management of Anaemia in Adults</i> Moderator: Dato' Dr Goh Ai Sim	Transfusion Medicine <i>Precision Approaches to Alloimmunised Patients</i> Moderator: Dr Noraini binti Amir	Nursing and Pharmacy Education Session 5
2.00 - 2.25 pm	Acquired Aplastic Anemia Frontline Treatment Optimisation: IST + Eltrombopag and Beyond Dr Chew Lee Ping	How I Treat Haemolytic Anaemia: A Practical, Case-Based Approach Dr Yong Kar Ying	Red Cell Alloantibodies in Pregnancy: Clinical Challenges and Management Dr Mohd Redzuan bin Abdullah	Unmet Needs in Malaysian Haemophilia Care: Transition from Paediatric to Adult Services Puan Wan Alia Amalina binti Adenan
2.25 - 2.50 pm	Advances in Haploidentical HSCT for Aplastic Anaemia A/Prof Dr Linn Yeh Ching	How I Treat Iron Deficiency Anaemia: To Transfuse or Not Transfuse? Dr Ahlam Naila Kori	Management of the Multiply Alloimmunised Patient: From Transfusion Strategy to Clinical Intervention Dr Aff bin Alam Faizli	Nursing Coordination in Multidisciplinary Thalassaemia Care Matron Chui Siew Queen
2.50 - 3.15 pm	Unmasking Hidden Hereditary Marrow Failure: Clinical Clues Across the Age Spectrum Prof Hany Ariffin	How I Manage Thalassaemia: Comprehensive Management and Future Directions Dr Liew Hong Keng	Rethinking Blood Use: The Way Forward in Patient Blood Management Dr Jameela Sathar	Safe Blood Transfusion: The Nurse's Role from Bank to Bedside Dr Nuraini binti Sham
3.15 - 3.30 pm	Panel Discussion	Panel Discussion	Panel Discussion	Panel Discussion
3.30 - 3.45 pm	Industry Showcase / Poster Walk			
3.45 - 4.30 pm	Tea Break Symposium 5 (Exclusive to Gold Sponsors)		Tea Break Symposium 6 (Exclusive to Gold Sponsors)	
4.30 - 5.00 pm	Prize Giving and Closing Ceremony			

POST-CONGRESS WORKSHOP

8.00 - 8.30 am	Registration
8.30 - 9.30 am	Persistent Eosinophilia: Reactive, Clonal or Idiopathic? Dr Christopher Liam
9.30 - 10.30 am	When Platelets Refuse to Rise: Managing Difficult ITP Prof Yap Eng Soo
10.30 - 11.00 am	Morning Tea Break
11.00 - 12.00 pm	CAR-T and Bispecific Emergencies for the Practising Haematologist Prof Ja-Min Byun
12.00 - 1.00 pm	From MGRS to Myeloma Kidney: When the Clone Damages the Nephron Dr P'ng Hon Shen
1.00 - 2.00 pm	Lunch

Registration Fees

RM100 for Malaysian delegates and USD 50 for international delegates.
This is available as an add-on option after completing registration for MSH ASM 2026.

Post-Congress Workshop Access

Attendance is available only to registered MSH ASM 2026 delegates and cannot be purchased independently.

CPD Accreditation

CPD points will be available for participants.

Meals Included

Registration includes morning tea and lunch.

Terms and Conditions

The same registration terms and conditions as MSH ASM 2026 apply.

MSH ASM 2026 ABSTRACT SUBMISSION GUIDELINES

KEY DATES AND DEADLINES

Abstract submission opens	: 1 April 2026
Abstract submission deadline	: 5 June 2026, 11.59 pm (GMT +8)
Notification to authors	: 26 June 2026
Presenting author registration deadline	: 1 July 2026

ABSTRACT ELIGIBILITY AND GENERAL INSTRUCTIONS

1. Abstracts must be submitted **electronically via the official abstract submission portal**, accessible via the conference website at www.msh2026.com. Submissions by email or post will not be accepted.
 2. Abstracts must be **written and presented in English**. Submissions in other languages will be declined.
 3. Abstracts must be prepared using **Arial font, size 11**, and follow the prescribed abstract structure.
 4. Abbreviations should be **defined at first mention** and used consistently throughout the abstract.
 5. Only **complete and properly submitted abstracts** will be considered. Incomplete submissions will be rejected.
 6. Abstracts will be published **exactly as submitted**. Authors are responsible for ensuring accuracy, clarity, correct spelling and grammar.
 7. The **MSH 2026 Scientific Programme Committee reserves the right to reject abstracts** that are poorly written or to request immediate revision to improve readability.
 8. Authors are responsible for obtaining ethics approval or applicable regulatory requirements. For case reports or case series, patient consent must be obtained, and all identifiable patient information must be omitted.
- 

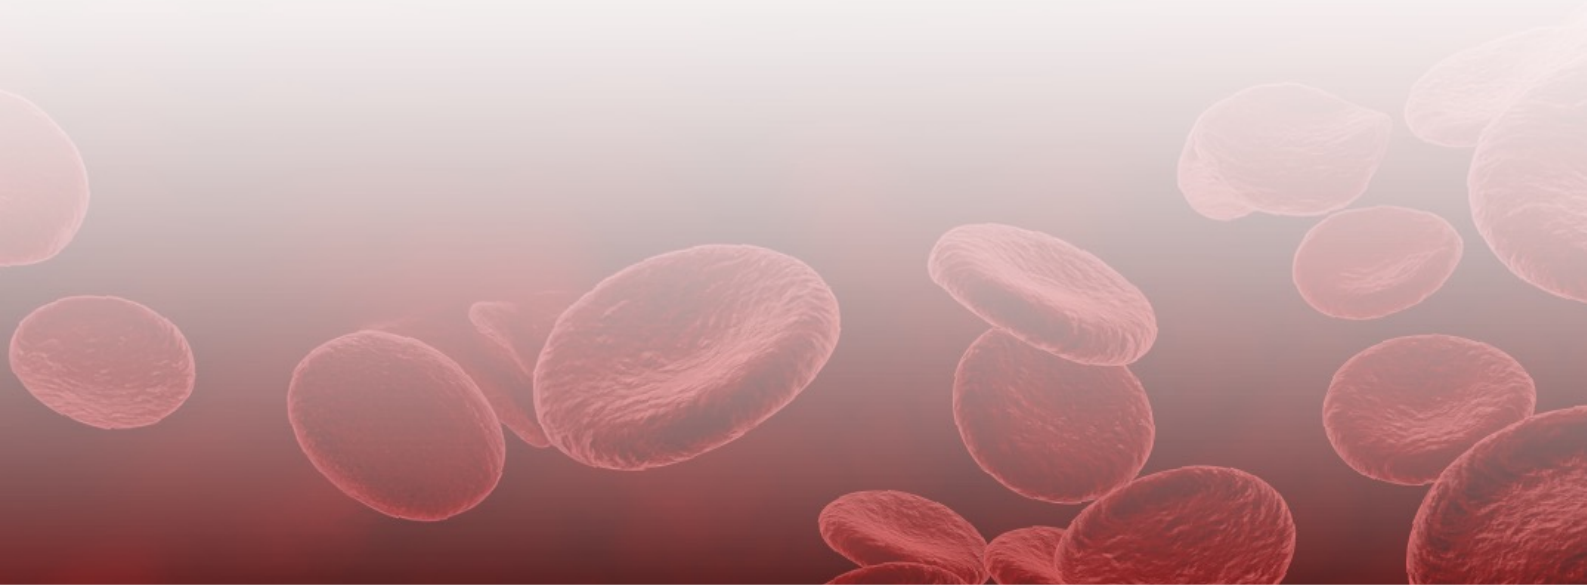

ABSTRACT STRUCTURE

TITLE	Capitalise the first letter of each word, limited to a maximum of 30 words .
AUTHOR INFORMATION	Authors' name: <ul style="list-style-type: none">• List all authors in full name format (first name followed by last name)• Underline the presenting author Do not include academic titles or degree qualifications. Affiliation should be structured as follows: <ul style="list-style-type: none">• Department, Institution, City, State, Country The email address of the presenting author should be provided.
ABSTRACT BODY	Clinical research studies should be structured as: <ul style="list-style-type: none">• Background and Aims• Methods• Results• Conclusions Case studies or case series should be structured as: <ul style="list-style-type: none">• Introduction or Background• Clinical Case (including diagnostic evaluation, treatment, and follow-up)• Clinical Lesson(s) or Conclusion(s) (emphasising the learning point[s] and implications for clinical practice) Limited to a maximum of 300 words .
KEYWORDS	No more than 3 keywords are allowed.
TABLES AND FIGURES	Only one table or figure is allowed.

**DELEGATE REGISTRATION
 REGISTRATION FEES**

Category	Early Bird Rate 10 March – 15 April 2026	Regular Rate 16 April 2026 onwards
Malaysian Delegates		
Doctors (MSH members)	MYR 450.00	MYR 600.00
Doctors (Non-MSH members)	MYR 600.00	MYR 800.00
Nurses/Allied Health Practitioners/Early-Career Doctors (MSH members)	MYR 250.00	MYR 350.00
Nurses/Allied Health Practitioners/Early-Career Doctors (Non-MSH members)	MYR 350.00	MYR 500.00
Accepted Abstracts <i>Limited to first 100 accepted abstracts</i>	Registration fees refunded in full	
International Delegates		
International Delegates	USD 500.00	USD 750.00
Accepted Abstracts <i>Limited to first 100 accepted abstracts</i>	USD 100.00	

Note: Early-Career Doctors refers to doctors in training, including medical students, house officers, medical officers, and registrars. This category is intended for individuals who are currently in recognised training positions and does not apply to consultants, specialists, subspecialty fellows, or doctors in independent or private practice. The Organising Committee reserves the right to verify training status and determine eligibility for this category at its discretion.

DELEGATE REGISTRATION

1. REGISTRATION

Delegates are required to register via the official registration portal accessible here: www.msh2026.com, or by scanning the QR code provided.

2. PAYMENT

Full payment of the registration fee must be made at the time of registration to confirm participation.

3. ABSTRACT PRESENTER REGISTRATION REFUND

Delegates whose abstracts are accepted will be eligible for a full refund of the registration fee. Refunds will be issued in cash at the conference venue at the end of the conference.

- Refunds must be collected in person by the registered delegate.
- Refunds will not be processed after the conference has concluded.
- Further details regarding the refund process will be communicated closer to the event.

4. ELIGIBILITY FOR REFUND

Registration fee refunds for accepted abstracts apply only to self-paying delegates. Delegates whose registration fees are paid or sponsored by third parties (e.g., industry sponsors, institutions, or organisations) will not be eligible for a refund.

5. REGISTRATION CATEGORY VERIFICATION

The Organising Committee reserves the right to verify eligibility for specific registration categories (e.g., Early-Career Doctor or Member rates). Delegates may be requested to provide supporting documentation where applicable.

6. NAME BADGE POLICY

Delegates must wear their official conference name badge at all times to gain access to conference sessions and exhibition areas.

7. SUBSTITUTION POLICY

Registration may be transferred to another delegate from the same organisation if requested in writing prior to the conference.

8. CANCELLATION POLICY

Registration fees are non-refundable once payment has been completed, unless otherwise approved by the Organising Committee.

9. PROGRAMME CHANGES

The Organising Committee reserves the right to make changes to the programme, speakers, or schedule where necessary.

10. RIGHT OF ACCEPTANCE

The Organising Committee reserves the right to accept or decline any registration at its discretion, without the obligation to provide a reason.
